Directions

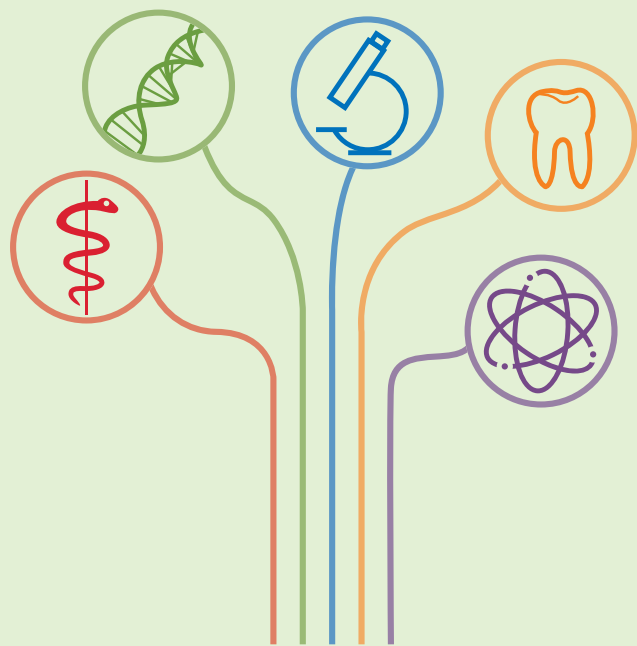

Venue „Friedrich von Gärtner Saal“ in the „St. Vinzenz Haus“ on Google Maps:

<https://goo.gl/maps/59qbutNPr8hKHToA8>

The **use of public transportation** (e.g. U-Bahn Goetheplatz or U-Bahn Sendlinger Tor) is recommended, as there is limited parking on the clinic area. The venue, a former church, can only be reached on foot via two options:

- Use the passage at **Goethestraße 69** and follow the way until you see the church-like-building on your left. Walk through the passage to your left (before the main building) and then along the side of the building with parking spaces until you reach the venue.
- Use the passage on **Nußbaumstraße 5** between “Portalklinik” and “Klinik und Poliklinik für Psychiatrie”, follow the path to the “St. Vinzenz Haus” and walk past the main entrance; then through the passage on your right; walk along the side of the building with parking spaces until you reach the venue.
